Imlee

An Indian Bistro

With chefs from Mumbai and an immense tandoor oven, the menu selection at Imlee Restaurant in Pinecrest is as diverse as it gets. Authentic choices range from mainly North India but there are also some South Indian specialties on the menu. The décor is simple yet evokes the look of the country with draped rust colored cloths covering the ceiling, Indian-inspired art on the walls including a beaded and intricately detailed rug adorning one.

Zagat 2009 Top Foods Listed.
